

**NEW YORK STATE ASSOCIATION
FOR REDUCTION, REUSE AND RECYCLING**

College Council

The College Council is a program of NYSAR³, the only professional association in New York State dedicated to recycling, waste reduction, and material reuse.

Benefits of College Council participation include:

- A forum designed to enable students, staff and faculty to share information about common challenges and best practices related to recycling, waste prevention and other environmental issues.
- Access to the expertise and knowledge of environmental professionals throughout the state, region and country.
- Regional meetings and workshops tailored to meet the needs of New York's institutions of higher learning.
- Preferential consideration for abstracts and case studies to be included in a proposed college track at the annual fall recycling conference.
- Discounted staff memberships to NYSAR³.

Strengthen NYSAR³ and support all of its special programs with your membership and financial support. Send this form with a check payable to NYSAR³, PO Box 3913, Albany, NY 12203. Please indicate that the check is for College Council membership. For credit card payment information, please contact Diane Fisher at diane@nysar3.net or 518-421-7260.
