Incorporating Food Scraps Drop Off Programs Into Your Yard Waste Composting Facility

May 7th, 2020

Sponsored by...
Happy NYS Compost Awareness Week!

Follow along on Facebook & Instagram at NYS Save Our Food

For more information on NYS Compost Awareness Week
Recycling, Composting, Product Stewardship and Extended Producer Responsibility are only a few of the areas that NYSAR³ is involved with. We work with the Recycling Coordinators and Sustainability Professionals statewide in our K-12 schools as well as the Colleges and Universities. We also have a very active Legislative and Lobbying Committee that works with our State leaders to push for stronger legislation that strives to improve the environment for all New Yorkers.

Benefits include:

- Reduced Fees to Conferences
- Quarterly Newsletter
- Regional Chapter Meetings
- Workshops
- Grant Funding Opportunities
- Member Only Online forums
- Automatic Membership in the National Recycling Coalition

Memberships start at $70/yr. for individuals, government/agency employees and non-profits; Students are $30.

Join NYSAR³ as a member
NYS Organics Council

**Community:** More than 60 NYSAR\(^3\) members and organics management professionals from across NYS

**Activities:** Monthly conference calls; active working groups; supportive network; online discussion and resource sharing; and event planning (e.g. Annual NYS Organics Summit)

**Goals:** Advance diversion of organics materials from landfill/incineration through wasted food reduction and organics recycling

**Join:** Contact Organics Council Chair, Jesse Kerns, at jekerns@syr.edu
