Professional Position

The Ulster County Resource Recovery Agency is a public authority of the State of New York providing solid waste management and recycled materials services in Ulster County, New York. The Agency employs approximately 40 persons and operates and maintains two permitted transfer stations, a materials recovery facility, a vehicle maintenance facility, diesel pumping station and headquarters building. The Agency also maintains 3 closed landfills and services several municipal drop off centers.

We are currently seeking to enhance the efficiency of our operations and are seeking an experienced Compliance Officer to join our team.

Minimum Requirements:

1. A Bachelor’s or higher level degree from a regionally accredited or New York State registered four (4) year college or university in Environmental Science, Biology, Chemistry, Industrial Hygiene, Law Enforcement, Business Administration, or other similar field of study.

2. An Associate’s degree from a regionally accredited or New York State registered two (2) year college or university in Environmental Science, Biology, Chemistry, Industrial Hygiene, Law Enforcement, Business Administration, or other similar field of study and three years’ experience in compliance, environmental science, and safety.

And:

- A full working knowledge of NYSDEC, OSHA, and DOT regulations preferred.
- A valid NYS driver’s license.

Interested candidates may view the detailed job posting on our website www.ucrra.org
Resumes can be submitted to UCRA P.O. Box 6219 Kingston, NY 12402 or email alop@ucrra.org
Resumes will be accepted until close of business March 27, 2020
